TARIFF FORMAT

- A.** Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially, however, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B.** Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the HIPUC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Consult the Check Sheet for the sheet currently in effect.
- C.** Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2
 - 2.1
 - 2.1.1
 - 2.1.1(A)
 - 2.1.1(A)(1)
 - 2.1.1(A)(1)(a)
 - 2.1.1(A)(1)(a)(I)
 - 2.1.1(A)(1)(a)(I)(i)
 - 2.1.1(A)(1)(a)(I)(i)(1)
- D.** Check Sheets - When a tariff filing is made with the Hawaii Public Utilities Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some pages.) The tariff user should refer to the latest' Check Sheet to find out if a particular sheet is the most current on file with the Hawaii Public Utilities Commission.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Certain terms used generally throughout this tariff, particularly those for specialized common carrier communication channels furnished by the Company over its facilities are defined below:

Access - Access to WiMacTel's services are provided by one or more or a combination of the following methods: presubscription in equal access areas, direct access, 800, 950 and 10XXX dialing sequences.

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person, excluding local exchange carriers and cellular service providers that, in the ordinary course of its operations, make telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the Service User so the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity that accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

Automatic Numbering Identification (ANI) - A type of signaling provided by a local exchange telephone company that automatically identifies the local exchange line from which a call originates.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Billed Party - The person or entity responsible for payment of the Company's Service(s): For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate an intrastate call. In the case of a Travel Card call or other credit card call (herein collectively the "Card"), the person or entity responsible for payment is the Customer of record of the Travel Card or other valid and acceptable Card used. In the case of a collect or third party call, the person or entity responsible for payment is the person responsible for payment for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the intrastate call. In all Operator Assisted calls not involving Cards, third party calls, collect calls or Room Charge calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone services at the telephone used to originate the intrastate call.

Calling Card Call - A Direct Dialed or Operator Assisted call for which charges are billed not to the originating telephone number, but to a LEC or interexchange carrier calling card.

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - The term "Channel" denotes a path for electrical transmission between two or more points, the path having a bandwidth designed to carry voice grade transmission.

Commission - The Hawaii Public Utilities Commission.

Common Carrier - A company or entity providing telecommunications services to the public.

Company - WiMacTel, Inc.

Credit Card Call - A Direct Dialed or Operator Assisted call for which charges are billed not to the originating telephone number, but to a commercial credit card, such as Visa or MasterCard.

Customer - The term "Customer" denotes the person, partnership, association, joint stock company, trust, corporation, or governmental entity or any other entity that is responsible for payment of charges and for compliance with this tariff.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Operator Assisted Call - An intrastate telephone connection completed through the use of the Company's operator.

Operator Service Charge - A non-measured (fixed) charge that is added to a measured charge in calculating the total tariff charges due for a completed Operator Assisted call.

Operator Services - Any telecommunication service that includes, as a component, any automatic or live assistance to a Customer or its Authorized User to arrange for billing or completion or both, of an intrastate telephone call through a method other than:

- (i) automatic completion with billing to the telephone from which the call originated; or
- (ii) completion through an access code used by an Authorized User, with billing to an account previously established with the carrier by the Authorized User.

Operator Service Provider ("OSP") - Any person or entity that provides operator services by using either live or automated operator functions. When more than one entity is involved in processing an operator service call, the party billing the calls shall be considered the OSP. However, subscribers to customer-owned pay telephone service shall not be deemed to be an OSP.

Operator Station Calls - An Operator Assisted call wherein the person originating the call is assisted by an operator but does not specify a particular person, department or extension to be reached through a PBX attendant.

Other Common Carrier - The term "Other Common Carrier" denotes a common carrier, other than the Company, providing domestic and/or international communications service to the public.

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers that allow intrastate calls to be categorized for various applications.

Person-to-Person Calls - An Operator Assisted call which is placed under the stipulation that the caller will speak only to a specific called party, a specified extension or office to be reached through a PBX attendant. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all Operator Assisted calls will be treated as Operator Station calls.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.4 Liabilities of Company, (Cont'd.)

2.4.3 The Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.

2.4.4 The Company shall be indemnified and held harmless by the Customer against:

- (A) Claims for libel, slander, infringement of copyright or unauthorized use of any trade mark, trade name or service mark arising out of the material, data, information, or other content transmitted by the Customer over the Company's facilities; and
- (B) Claims for patent infringement arising from combining or connecting the Company's facilities with apparatus and systems of the Customer; and
- (C) All other claims arising out of any act or omission of the Customer in connection with any service provided by the Company.

2.4.5 The Company will make no refund of overpayments by a Customer unless the claim for such overpayment together with proper evidence be submitted within one (1) year from the date of alleged overpayment unless billing records prepared by the Company can be produced which would justify a credit beyond one year.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.5 Taxes**

All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.6 Terminal Equipment

The Company's facilities and service may be used with or terminated in Customer-provided terminal equipment or Customer-provided communications systems, such as a telephone set, PBX or key system. Such terminal equipment shall be furnished and maintained at the expense of the Customer, except as otherwise provided. The Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria standards of the telecommunications industry as endorsed by the Federal Communications Commission.

2.7 Installation

No installation is required to use the Company's service. Service is initiated by request of the Customer. The Company may refuse to provision service when the Company cannot verify that the party requesting the Company's service is not authorized to make the change.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.8 Payment for Service**

- 2.8.1** The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by WiMacTel. All charges due by the Customer are payable to the Company or to the Company's authorized billing agent (such as a local exchange telephone company) upon receipt. Any objections to billed charges must be reported to the Company or its billing agent within six months after receipt of bill. Adjustments to the Customer's bill shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.
- 2.8.2** In the event that the Company incurs fees or expenses, including attorney's fees, collecting, or attempting to collect, any charges owed to the Company, the Company may charge the Customer all such fees and expenses reasonably incurred, including a collection fee on the unpaid charges accruing at the rate set in Section 4.0. Collection fees on unpaid charges shall begin to accrue when the account is assigned to an outside collection agency. Such collection fees are separate and distinct from attorney's fees and other costs incurred in collecting charges owed to the Company. Bills will be considered to be late if not paid within 30 days of the issue date provided on the bill.
- 2.8.3** The Customer shall be responsible for all calls placed by or through Customer's equipment by any person. In particular and without limitation to the foregoing, the Customer is responsible for any calls placed by or through the Customer's equipment via any remote access features.
- 2.8.4** Late Payment and Return Check charges, as identified in Section 4 of this tariff, may apply to applicable customers.
- 2.8.5** Upon notification of a dispute, the Company will notify the Customer within five (5) working days of its receipt of the written dispute notice and shall undertake an investigation of the disputed charges. At the conclusion of the investigation, the Company will notify the Customer of any amount determined by the Company to be correctly charged and Customer shall pay such amount to the Company within five (5) working days. The Company may suspend/terminate service if the Customer fails to pay the amount determined by the Company to be properly charged. Amounts determined by the Company to be correctly charged also will be subject to the late payment charge specified in Section 4.1 of this tariff.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.9 Deposits

The Company does not require deposits of Customers.

2.10 Advance Payments

The Company does not require advance payments of Customers.

2.11 Cancellation by Customer

Customer may cancel service by providing thirty days written or verbal notice.

2.12 Interconnection

Service furnished by WiMacTel may be connected with the services or facilities of other carriers. Such service or facilities, if used, are provided under the terms, rates and conditions of the other carrier. The Customer is responsible for all charges billed by other carriers for use in connection with WiMacTel's service.

2.13 Refusal or Discontinuance by Company

WiMacTel may refuse or discontinue service without notice when necessary for the Company to comply with any order or request of any governmental authority having jurisdiction.

2.14 Inspection, Testing and Adjustment

Upon reasonable notice, the facilities provided by the Company shall be made available to the Company for tests and adjustments as may be deemed necessary by the Company for maintenance.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.15 Tests, Pilots, Promotional Campaigns and Contests**

The Company may conduct special tests, pilot programs, waivers and promotions to demonstrate the ease of use, quality of service and to promote the sale of its services.

2.16 Customer Complaints and/or Billing Disputes

Customers have the right to refer billing disputes and any other complaints to the Company at WiMacTel, Inc., 1882 Porter Lake Drive, Suite 101, Sarasota, FL 34240. Customer Service department can be reached by dialing (888)476-0881.

2.16.1 If the Customer and Company are unable to resolve the dispute to their mutual satisfaction, the Company will inform the Customer, prior to termination, of the right to file a complaint with the Commission. The complaint must be filed within five (5) days of the Customer's notification of the Company's determination of the dispute.

The address and telephone number of the Commission is:

Hawaii Public Utilities Commission
465 South King Street, Room 103
Honolulu, Hawaii 96813
Telephone: (808) 586-2020

2.17 Reservation of Toll Free Numbers

The Company will make every effort to reserve Toll Free vanity numbers for customers, but makes no guarantee or warranty that the requested number(s) will be available.

2.18 Miscellaneous Rates and Charges

Subject to the prior approval by the Hawaii Public Utilities Commission, the Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or quasi-governmental authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Primary Interexchange Carrier Charge, and compensation to payphone service providers for the use of their payphones to access the Company's service. The Company will separately and clearly identify and explain on its Customers' bills the Company's adjust to and/or additional miscellaneous rates and charges.

SECTION 3 - SERVICE DESCRIPTIONS AND RATES, (CONT'D.)

3.2 Determination of Call Duration and Timing of Calls

- 3.2.1** For Direct Dialed Calls, chargeable time begins when the connection is established between the calling station and the desired telephone, attendant board, or private branch exchange console.
- 3.2.2** Chargeable time ends when the connection is terminated.
- 3.2.3** Chargeable time does not include the time lost because of known faults or defects in the service.
- 3.2.4** The initial and additional timing periods for billing purposes vary by product and are specified in Section 3 of this tariff.
- 3.2.5** The Company will not bill for unanswered calls. When a Customer indicates that he/she was billed for an incomplete call, WiMacTel will reasonably issue credit for the call.
- 3.2.6** All calls are billed in arrears for all WiMacTel services.

SECTION 3 - SERVICE DESCRIPTIONS AND RATES, (CONT'D.)

3.3 Time of Day Rate Periods, (Cont'd.)

3.3.2 The time when connection is established is determined in accordance with the time - standard or daylight savings -legally or commonly in use at the location of the calling service point and determines whether Day, Evening, Night or Weekend rates apply. This rule applies whether the message is sent paid or collect and is applicable to intrastate direct dialed and operator assisted calls.

Issue Date:

Effective Date:

Issued By:

James MacKenzie, President
1882 Porter Lake Drive Suite 101
Sarasota, FL 34240

SECTION 3 - SERVICE DESCRIPTIONS AND RATES, (CONT'D.)

3.3 Time of Day Rate Periods

For time of day sensitive services, the appropriate rates apply for day, evening and night/weekend calls based on the following chart:

	MON	TUES	WED	THUR	FRI	SAT	SUN
8:00 AM TO 4:59 PM	DAYTIME RATE PERIOD OR PEAK RATE PERIOD						
5:00 PM TO 10:59 PM	EVENING RATE PERIOD OR OFF PEAK RATE PERIOD						EVE
11:00 PM TO 7:59 AM	NIGHT/WEEKEND RATE PERIOD OR OFF PEAK RATE PERIOD						

3.3.1 Day, Evening, and Night/Weekend times are determined by the local time of the location of the calling service point. Chargeable time for a rate period (e.g. 8AM-5PM) begins with the first stated hour (8AM) and continues to, but does not include, the second stated hour (5PM). The rate applicable at the start of chargeable time at the calling station applies to the call during the duration of the call that is applicable to that time period. If a call begins in one discount period and ends in another, the initial period discount applied is the discount in effect at the time the call is established. The charge for each additional minute of usage is the additional minute billing rate of the rate period in which the beginning of each minute occurs.

SECTION 3 - SERVICE DESCRIPTIONS AND RATES, (CONT'D.)**3.4 Calculation of Distance**

For services which are distance sensitive, usage charges are based on the airline distance between the serving wire center locations associated with the originating and terminating points of the call.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the serving wire centers as defined by Telcordia (formerly Bell Communications Research), in the following manner:

- Step 1:** Obtain the "V" and "H" coordinates for the serving wire center of the Customer's switch and the destination point.
- Step 2:** Obtain the difference between the "V" coordinates of each of the Rate Centers. Obtain the Difference between the "H" coordinates.
- Step 3:** Square the differences obtained in Step 2.
- Step 4:** Add the squares of the "V" difference and "H" difference obtained in Step 3.
- Step 5:** Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.
- Step 6:** Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating serving wire centers of the call.

Formula:

$$\sqrt{\frac{|V_1 - V_2|^2 + |H_1 - H_2|^2}{10}}$$

3.5 Operator Services

3.5.1 Determination of Charges

The charges for Operator Services are determined by the:

- distance between applicable rate centers
- time of day and day of week
- duration of call
- class of call

All calls are billed based upon the actual billing increments as defined in each specific rate table.

3.5.2 Classes of Services

Service is offered on a Customer Dialed Calling Card Station, Operator Station, Person-to-Person or Real Time Rated-Operator Station/Person-to-Person basis. Day, Evening, Night and Weekend rates apply to all classes of services.

SECTION 5 - PROMOTIONS**5.1 Promotions - General**

From time to time the Company shall, at its option, promote subscription or stimulate network usage by offering to waive some of all of the nonrecurring or recurring charges for the Customer (if eligible) of target services for a limited duration, not to exceed 90 days, or by offering premiums or refunds of equivalent value. Such promotions shall be made available to all similarly situated Customers in the target market area. All promotions will be filed with and approved by the Commission prior to offering them to Customers.

5.2 Demonstration of Calls

From time to time the Company shall demonstrate service by providing free test calls of up to four minutes duration over its network.

5.3 Competitive Response Promotion

The Company will, at its discretion, match certain standard or promotional offerings of other interexchange carriers or resellers in order to acquire new Customers. The Customer must demonstrate to the Company's satisfaction that 1) an alternative service offering is valid and currently available from a competing interexchange carrier or reseller and 2) the Customer intends to either subscribe to or remain with the competing interexchange carrier or reseller. The Company reserves the right to verify that the alternative offering is an approved tariff on file with the Commission.
